Opportunities are decisions that need to be taken, and when taken, the results can be windows that let you see beyond your expectations.

Never let fear decide your fate.

A setback is a setup for a comeback.

It's not who you are that holds you back, it's who you think you are *not*.

**Worry is like sitting in a rocking chair –
it gives you something to do but it gets you nowhere.**

Do what is right, not what is easy.

A negative mind will never give you a positive life.

Change is hard, but comfort can be a trap.

FAITH makes things possible...not easy.

Choose your own ATTITUDE; don't let someone choose it for you.

DETERMINATION is focus to the finish.

When your CONFIDENCE goes up, your competence goes up.

Your DESIRE to succeed must be greater than your fear to fail.

Every accomplishment starts with the decision to try.

PERSEVERANCE – Never Give Up!

“Nobody can go back and start a new beginning, but anyone can start today and make a new ending.” Marie Robinson.
